

(THIS IS HOW A CALL MIGHT GO BETWEEN YOU AND THE WASHINGTON SENATORS OFFICE.)

Hello, Senator *(senator's last name)* office.

Hi, this is *(insert name)* and I live in *(city)*. I'd like to speak to the staffer about *(current bill/legislation)*.

Hold on please while I check if they are available. *(pause)* I'm sorry no one is available right now. Can I take a message?

Yes, I'm calling about *(bill/legislation)*. I know that Senator *(senator's last name)* is on that committee and as a board member of the Pennsylvania Smoke Free Association, we would like to speak with the senator regarding how this bill negatively affects our industry, *(example of how many jobs can be lost/issues relating to bill etc.)*. My colleagues of PSFA and I are calling to help gather support to help maintain a robust and competitive vaping industry here in PA, so that no more local businesses in Pennsylvania have to close their doors.

Thanks for your message. Can I get your full name, address, and telephone number?

*(Full Name), (Address), (Phone Number)*

Thank you. I will pass along your message to the Senator.

Thank you.
